

Draft Verification Document

This signed document verifies that the undersigned community has conducted a players draft pursuant to the Sun and Fun Tri County Senior Softball League rule listed below:

The Sun and Fun Tri County Senior Softball League has mandated that every community in the league must conduct an annual pre-season draft in accordance with League Playing Rule Section II, 2.1 listed under Rosters, requiring that every player assigned to a community team must be placed on the appropriate team within that community with the highest rated skilled player(s) assigned to the highest competing team in each division in the Sun and Fun Tri County Senior Softball League.

Each Communities Park Representative must sign to verify that this league rule was followed for each team in that community and forward this document to the League's Vice President prior to that year's season start.
