

LEGACY OF LEESBURG-COVID19-CORONA VIRUS

As a participant (player, umpire, coach, scorekeeping, grounds keeper, other family members, and/or spectator) at the Legacy of Leesburg softball facility, it is understood that you have evaluated the risks associated with willingness being at and participating in a recreational activity at a facility and activity located on property of Legacy of Leesburg and therefore, you fully accept all risk, waive liability, and hold Legacy of Leesburg and all its volunteers harmless in association with Covid 19-Corona Virus and its related illness and/or death. Legacy of Leesburg highly recommends familiarizing yourself with the and following Centers for Disease Control and Prevention guidelines located at <https://www.cdc.gov/coronavirus/2019-ncov> regarding COVID19 precautions while participating before, during, and after a game. Based upon the CDC guidance, CSA suggest, but does not require, the following minimum precautions for all participants.

- 1. Wear a CDC approved mask at all times.**
- 2. Social distance, at least six (6) feet from others whom you do not live or closely associate with.**
- 3. Wash and/or disinfect your hands throughout the game as appropriate.**
- 4. Use provided disinfection wipes on softballs, gloves, bats and other equipment before each use or as appropriate.**
- 5. Each team should use only provided wipes on softballs, gloves, bats and other equipment before use or as appropriate.**
- 6. Each team should use only provided softball during the game.**
- 7. Only team members at bat should retrieve foul balls hit out-of-play.**
- 8. Each team should use only equipment brought by that team (bats, gloves, etc).**
- 9. Umpires should never handle a team's softball or equipment.**
- 10. Stay home if you are sick or have a fever.**
