

## Sun and Fun Meeting, October 18, 2011

Prior to the meeting everyone was welcome to Continental Country Club by Don Sprout. He talked about the annual golf tournament that they were trying to get started; the first one will be January 12, 2012 at Continental.

Don also spoke on the use of the medical information form that is on the league website. He stated that he thought every manager should have this form, in case a player has a problem and the paramedics may need his medical problems and medications.

Continental Country Club also provided everyone with coffee juice and calorie free donuts and pastries.

President Mike Van Nostrand called the meeting to order.

Attendance was taken and all 16 communities were represented.

President Mike Van Nostrand (the President) asked for approval of the minutes as posted on the website. The motion was made by Bil Lemon and seconded by Mike Dineen.

President Mike Van Nostrand introduced the new officer for this year:

Jim Milligan	Vice-President
Dan Bird	Secretary
Bryan Carmack	Treasurer

Secretary Dan Bird passed out Sun and Fun contact list, which included all the information that he was able to gather. All communities were instructed to forward the correct information to Dan Bird and he would pass it on to the Park Representatives. He reiterated that he would get the information to the Park Representatives and it was for them to pass it down to their team managers.

The following Division representatives were appointed:

Division 1 - Kevin Cheeks	Del Webb
Division 2 - Mike Dineen	Continental
Division 3 - Jim Milligan	Sun Lake

Bryan collected dues of \$15.00 per community and the communities that did not have the money were told it had to be paid before the first game.

President Mike Van Nostrand introduced a new team from Royal Harbor that would like to join the Sun and Fun League this year. Mike has been working with Bob Francesconi to fill and opening we had in our Division 5. A question was asked about the strength of the team and Bob said he thought the might be low 4 or high 5. Ben Milazzo and Jim Herbert (Hawthorne) spoke up

and said they had played them in the Lake league and although they were beaten by Royal Harbor most of the time, they thought they were a good fit for Division 5. It was also brought up that if we were wrong it would be corrected next year.

After the discussion, a motion was made and seconded that we accept Royal Harbor into the league and it was a unanimous vote in favor of doing so.

President Mike Van Nostrand had some items he wanted to discuss.

1. Website – Volunteer or raise dues to pay someone to handle it.  
Jim Herbert from Hawthorne asked to have Paul call him and discuss the effort.
2. Format of game results – Mike explained that there was a correct way to report the game results and we needed to adhere to this method. There was a copy of the instructions attached to the contact lists that were passed out earlier.
3. Pitcher Protection or Liability Waiver – Mike explained that it was a league requirement for pitchers to fill out a waiver to wear the pitchers equipment and the team manager should carry these forms to every game. Jim Milligan would like to have a copy of these waivers and will keep them with the other team waivers.
