The two options for the division alignment are shown on the last page of these minutes.

Greg Alms suggest a combining teams in divisions 1 and 2 and forming a North/South division for the top division. There could be North- South crossover games in the schedule. This was so moved by Jim McFarland and seconded by Paul Maddox. A vote was tabled to study the proposal and put together was this division would look like.

The Sun and Fun League season will start on Friday, Nov. 1, 2013. Stonecrest will have the All-Star games.

Joe Burgess stated that he was excited to have a team in the League and offered free used of his facility for meeting, printed and emailing.

Don Sprout suggested that the league require that top players who a playing on a lower division team be required to move up to a higher division team if the community has one. Don made a motion to this effect, but there was no second. The suggestion will be further studied.

Next meeting will be 9-17- 2013 at 1:00 PM at Continental.
