Minutes, April 1, 2026, Approved by Legacy & Spruce Creek

Treasurer Report: Approved by Summer Glen & Legacy

Webmaster Report: MaryAnn wasn't in attendance. Present Hatfield reported that the electronic rosters are working well. He also stated that they are still working on getting the contracts done electronically. He said we would continue to do the Liability waivers on paper.

Umpire Clinics: Bob Andrews reported that 55 people attended the umpire clinic @ Spruce Creek. We currently have 210 umpires certified.

Old Business:

- The two-season schedule was reviewed by the operations committee and not adopted for scheduling and aligning concerns.
- Reducing the number of divisions for the 2026-27 season
- Ensure that all the communities are following the league's approved standards for fields, uniforms, scorekeepers and umpires.
- They were no questions or discussions on any of the old business.

New Business:

Dan Lyall is stepping down as Plantation's Park Rep. He is being replaced by Jerry Palazzolo

- Bill Stoltenberg is now the Secretary-Treasurer and Jim Milligan will be the Asst. Secretary-Treasurer
- Games will be 7 innings this season

- Batters start with no count
- One and one count has been eliminated
- There were a few questions on why the OpComm went from 8 innings to 7 innings. Pres. Hatfield stated that more people wanted the 0-0 count with 7 innings than staying with the 1-1 count with 8 innings. Length of games seemed to be about the same.

  All 12 Communities submitted their Draft Verification forms.

- Managers meeting Friday October 23, 10:00 at Continental Pavilion
- Division reps will be elected for each division and part of the opcomm for the next year.
- December alignment review
- January meeting date will be 1/7/27 10:00am at Continental.

Spruce Creek made a motion to adjourn, Summer Glen 2nd

Meeting adjourned @ 10:57am

Submitted on 10/20/26

Bill Stoltenberg, Sec/Tres
